

As well as income from its recycling activities, Recycling Lives still depends upon the voluntary giving and fundraising of its supporters. You can help by making a one-off or regular donation, and this would increase by 28% if as a UK tax-payer you would also Gift-Aid it. If you pay tax, for each £1 you donate we can claim back 28p from the Inland Revenue, at no extra cost to you. To make your gifts of even more benefit, simply ensure that you tick the relevant box when you donate online and let us have your full name and address, we will do the rest.

To donate, or to seek advice on how to leave a legacy, please fill in the details below and we will contact you with the relevant documents required to donate.

Thank you for your interest in Recycling Lives.
